Blessings and Welcome in Messiah Yeshua

Welcome to our community. CTOMC is a community of Jewish and non-Jewish Believers in Messiah Yeshua. We are a Torah Observant community by choice - not for salvation, but **because** of our salvation in Messiah Yeshua.

Although we are separated by geographical location, we are nonetheless a community. We are NOT a movement, nor a renewing of an old movement. We are a community of Believers that through our common love for Messiah Yeshua have gathered together for fellowship, study and support, as a community should.

Our Goal is to provide the Messianic Community with resources, education, congregational assistance, and support. Our services concentrate on educating those of like mind in all aspects of Torah Obedience. CTOMC is also instrumental in Credentialing Messianic Rabbis and Ministers, Chartering Messianic Congregations, and Facilitating Seminars, Classes, Yeshiva, and Conferences. These are just a few of the services offered, as well as an extensive Internet presence.

Membership has its rewards; not only is there support at the organizational level but at the local level as well. We will assist local cell groups, fellowships, and congregations in their search for leaders.

In addition, CTOMC provides comprehensive instruction online via the inSpeak™ and openTALK™ chat programs, along with Observance of the Moadim, Shabbat Services streamed LIVE from different congregations, Oneg Shabbat (fellowship time) after the Erev Shabbat service and recorded Shabbat services from many congregations. We are planning to start an

Internet Radio station – CTOMC Radio - Messianic Music and Inspiration 24/7. There is also a Yeshiva in the planning stages, Youth and Singles ministry, and home school support.

Our core beliefs bind us together - we believe that the Word of G-d is contained in One Book, known to us as TaNaKh (Torah, Prophets, Writings) and Ketuvim HaShalichim (the Apostolic Writings, commonly known as the New Testament or Brit Hadashah). When it comes to salvation issues, the WORD of G-D is the final authority.

If you are looking for an organization of Jewish and Non-Jewish Believers in Messiah Yeshua, whose goal is accountability one to another in a Torah Obedient Community; if you are looking for a family to be a part of, we may be what you're looking for. We believe in Biblical Accountability, one to another, from the newest member to the Senior Rabbi. Knowledgeable Messianic Rabbis, Messianic Ministers, Messianic Ro'ehs, and Messianic Pastors, of like mind are available to each and every member of the Community.

We no longer have to walk alone, but can walk together as Messiah Yeshua walked - in TORAH! If this letter interests you (see our [Statement of Faith](#)) and you feel you may have a place here, speak to us – hopefully we'll be able to answer any questions you may have. Welcome home!

Shalom u'vracha b'Yeshua,

Reb Avner
