A Year on Record-2014 Weekly Journal

Ok I was caught up but it didn't last for long. I am behind again but I am keeping notes about events so when I get to work on it, it goes quickly.

I am loving having a record of the years events so far, no matter how big or small. I already enjoy, as do the kids, looking back and seeing what has happened. I hope your projects are going as well. Thanks to those who are participating, and I hope you are enjoying your project as much as I am.

Hebbville Grade 8 Students have an Entrepreneurial study unit every year. This year my daughter Nikita gets to participate. She will be making a variety of items including these Mother's Day Cards. Also available, flower rings and butterfly mobiles.

You can pre-order these through me if you would like and she will have ready for you that day for pick up.

Final item may not be exactly as shown. My daughter is special needs and will be making these herself. The picture is a sample idea.

My daughter, Nikita loves to participate in most activities that the other children do, so I hope you will support her in this. We haven't determined what all she will be making yet. It may only end up being the cards. She already has orders.

At this price you can't go wrong!

Credit Cards Accepted and New Program Update

I am able to accept Visa, Master Card, and American Express credit cards, and now I can also accept Discover card using Square Register. I also accept cash, Paypal and e-transfer as forms of payment.

I have cancelled the square reader reward program as it is not compatible with my current phone, only the iPad which will not connect to my internet service to take payments.

I will re-instate this program should I upgrade my phone at a future date or internet service changes.
