

September 2014 *Dreaming up ideas, Creating fun projects and Sharing with you!*

One Year Anniversary

It is hard to believe it has been a year since I opened my small store and studio.

It has been great getting to meet so many people who share the same hobby and who enjoy paper crafting as much as I do.

It has been fun to create custom invitations and see the wonderful ideas you bring to me turn into something so wonderful.

I have enjoyed all your sweet and positive comments about my store and creations.

Check out the store on the

September 9th between 10:00am-8:00pm

for some great deals, and more.

Looking forward to many more years of doing what I love!

Thank You!

The embellishment will add that something extra and you didn't have to waste anything.

Missing You on Facebook!

Have you noticed that you are no longer seeing Dream, Create and Share Scrapbooking's posts on your Facebook newsfeed? That is because Facebook has decided that people would prefer to see posts from their friends and family, rather than from the business pages they like. Unfortunately, this means that many of you are missing my posts, and that's not good--you are missing out on update, contests, how-to's, inspiration, and so much more!

If you would like to be notified when I make posts on the Dream, Create and Share Scrapbooking's Facebook page, there is a way to make that happen. Visit the Dream, Create and Share Scrapbooking Facebook page, and hover your cursor over the word 'LIKED' just below the header image. When the drop down menu appears, click on "Get Notifications" and a check mark will appear to the left.

Once you have completed this step, you will be notified whenever a new post is made to the Dream, Create and Share Scrapbooking Facebook page. The notifications will appear in the top blue line of Facebook, as a number on top of the image of a globe.

Don't miss out! I look forward to seeing you again on my Facebook page!
